

Pro-Life Solidarity

On May 13, 2010 Maine Right to Life joined in solidarity with our pro-life Canadian brethren to commemorate the 41st Anniversary of legalized abortion in Canada. This event is very similar to Maine Right to Life's annual *Hands Around the Capitol* Rally and March held each year in January.

Bob Emrich, MRLC Board member, traveled to New Brunswick, Canada to speak on behalf of the unborn babies who cannot speak for themselves. The crowd totaled between 300-400 Canadians who stood shoulder-to-shoulder to bear witness for the unborn. And yet, this event was not covered on Canadian television....sound familiar?

Undaunted, the pro-life Marchers gathered in front of the legislature, and then prayed in front of an abortion center. Later, a reception was held in Fredericton. This pro-life event was very peaceful and very powerful.

MRLC has invited our New Brunswick Right to Life brethren to join us this January in Augusta as we commemorate the 38th Anniversary of Roe v. Wade in which over 52 million precious American babies have been killed by abortion. We will not stop until each and every precious human life is defended and protected from the horror of abortion.

United, we stand in solidarity with Peter Ryan and our friends from New Brunswick Right to Life, along with other pro-life organizations devoted to defending innocent human life.
